Reference: Volunteer Letter – Criminal Record Checks

The Cloverdale Community Football Association employs volunteer coaches as part of its programs. These coaches work directly with players aged 5-18 years of age.

Cloverdale Community Football Association now requires all coaches and volunteers who have direct access to the players in the association to undergo a criminal record check. It is our understanding that the fee for this service is waived for volunteers.

_____ is a volunteer working with youths, receiving no remuneration for this service.

Yours truly,

Yeera Sami
President.
